

WHAT IS CLAIMED IS:

1. A glove for use in washing dishes or the like, said glove comprising a palm region and a plurality of finger-receiving sections extending therefrom, a water-absorbent material affixed to said palm region, and an abrasive material affixed to the upper end of at least one of said finger-receiving sections.
2. The glove of Claim 1, in which one of said abrasive materials is respectively affixed to the upper end of each of said finger-receiving sections.
3. The glove of Claim 2, further comprising a thumb-receiving section, an additional one of said abrasive materials being affixed to the upper end of said thumb-receiving section.
4. The glove of Claim 1, in which said water-absorbent material is a sponge-like material.
5. The glove of Claim 4, in which said sponge-like material is removably attached to the palm region of the glove.
6. The glove of Claim 1, in which said sponge-like material is removably attached to the palm region of the glove.

7. The glove of Claim 1, in which said water-absorbent material is a sponge.
